

19th June, 2020

Dear Member,

I wish to thank our dear Members, friends and well-wishers of Catholic Gymkhana who logged onto our inaugural virtual Members Nite online on Saturday 13th June, which was livestreamed on the Facebook page of The Catholic Gymkhana Ltd. It was heartening to see the overwhelming response from everyone, especially Members, and their comments of appreciation. Facebook statistics speak of the success of the launch - 383 watching Live and thousands all over the world who have viewed it later.

The untiring and humongous efforts of our project technical team comprising of the Hon. Treasurer, Sanju Fernandes, Managing Committee member Ian Pereira together with Aubrey Chatellier, ably assisted by Managing Committee member Evette Malgi together with Sarika Fernandes, is commendable. They have put in several hours to overcome multiple roadblocks in this successful journey.

I also wish to express my thanks to the Entertainment Committee - Dominic Godinho, Evette Malgi, Everilda D'Mello, Leslie D'Souza and Ralph Fernandes for promoting the launch of Facebook Live. Their efforts were strengthened by the captivating poster designed by our freelance designer under the supervision of Ian.

A big thank you to Sunita & Michael for the entertaining music, performing a live show to four walls as an audience, for the very first time. Michael overcame all the technical glitches working jointly with the technical team. Let us put our hands together for both teams who deserve all the credit.

....and now here is some BREAKING NEWS

I am delighted to inform you that the Catholic Gymkhana has its own dedicated YouTube channel. Our technical team of Sanju and Ian have once again done the Gymkhana proud to get our own dedicated YouTube Channel. They also connected with Aubrey to ensure the linking of Facebook and YouTube, thereby enabling Catholic Gymkhana to simultaneously livestream to Facebook and YouTube at the same time. You now have a choice of watching the livestream from across the world on either platform, starting Saturday, 20th June, 2020.

I wish you all enjoyable moments of listening pleasure and participation in many programmes that we expect will follow in the years ahead as well as to capture and store them online for viewing worldwide.

I also wish to thank our Vice President Rajesh D'Souza and the Hon. Gen. Secretary, Norbert Pereira along with the entire Managing Committee for their support in the implementation of this project.

Wishing you happy days ahead.

With best wishes,

VERNON MIRANDA
President
