

## BREAKING/NEWS

### “UNIQUE HEALTH CARE CONSULTATION FOR MEMBERS AND THEIR FAMILY”

Dear Members,

Trust you and your family are keeping well in this challenging Covid environment.

I write to you today sharing a very useful piece of information which I am sure, will help you and your family members.

Over the last few weeks during interactions with my friends and Gymkhana well wishers, it was evident that many were struggling to get prompt medical attention from family physicians due to the lockdown. Hence, I considered the possibility of approaching some of our distinguished members of the medical profession to form a panel of Doctors ON PHONE, who could provide guidance & treatment to our members who are running helter-skelter for medical assistance. When the concept was discussed with some members of the Managing Committee, our Hon. Treasurer Mr. Sanju Fernandes, promptly reached out to one of his contacts and we seem to have hit a golden spot. Sanju Fernandes deserves a very special thank you for making this concept feasible for CG members.

Members who are keen on availing this facility at The Catholic Gymkhana Ltd. offer price, must email the attached Registration Form to [office@thecatholicgymkhana.com](mailto:office@thecatholicgymkhana.com) by 20th June, 2020, the latest since this arrangement is particularly useful during this difficult Covid time (and thereafter), which to my mind will drag on for some time.

Dear Members, just a few hours before the release of this Newsletter, we have come across another health care initiative by Tata Health which is free but limited ONLY to “text chats” with the General Physician (GP) and NO Voice or Video consultation with the GP. Not sure how long this will remain free for ‘text chats’. If you are keen on opting for the free Tata Health “text chat” you may visit their link on:

I trust members will like to take advantage of this scheme arranged by your Managing Committee with an intent to help during these difficult times. I suggest you go through this beneficial scheme and take your decision on merits.

With best wishes,
