

PRESIDENT'S MESSAGE

Dear Members,

The month of April evokes in all of us memories from the yesteryears. It takes us back to those days in our youth when the approach of summer signified the end of exams and the academic year. Most families took off on their annual holiday. It was a time of fun and frolic.

Easter this year was celebrated in early April. With 40 days of observance of Lent coming to an end Easter was celebrated at CG with gaiety. Well, it's no surprise that CG attracted a large crowd for the Bumper Housie and a throbbing Easter dance thereafter to the tunes of SunBern with foot-tapping music. CG catered to its partying crowd who turned up in large numbers with unlimited fun and revelry and a tantalizing range of food and spirits that make CG a popular party hub. Thanks to our Housie, Entertainment, F&B subcommittees and our administration who rise above the call of duty on every occasion.

The Karaoke nights continue to be a hit among the party goers of CG spending an evening with your besties, sipping on your favourite poison and munching some great grub. They also hit the floor and try a few moves once all charged up for the night.

I am delighted to inform you that CG has added one more club to its list of affiliations. The Cochin Suburban Club in "God's own Country" Kerala. This one through the kind courtesy of Ms. Evette Malgi. We welcome such initiatives from our members to help CG grow its family of affiliated clubs.

We have taken an initiative to introduce Bridge to our members. We are thankful to our member Ms. Marianne Karmarkar, a bridge player of international repute who set up the contact for us with Bridge Pathshala which is a one stop shop for Bridge education. Having gained popularity in the 1930's Bridge is one of the most popular card games that provides a great source of enjoyment, fascination and challenges bringing people from different backgrounds together. A Bridge Awareness programme was conducted at CG in collaboration with Bridge Pathshala. An encouraging group of 50 members and guests attended the session. As an initial step online Bridge classes have been started and we hope the initial enthusiasm leads to building a Bridge playing network at CG. I also wish to thank Ian Pereira for his efforts to promote the game at CG.

Our Gymkhana celebrates its Annual Gymkhana Day on Saturday, 29th April, with a Thanksgiving Mass at 7.00 pm. This is followed by a celebration on the occasion of our Gymkhana's 111 years of foundation. The coastal road obstruction for entry into the Gymkhana is now an issue of the past and is no longer a hindrance. With children's exam fever behind us Gymkhana Day is a great occasion to celebrate with family and friends. The Cultural, Entertainment, F&B subcommittees along with the Administration are busy pulling out all the stops to ensure a memorable experience. The Michael and Sunita duo who are known to bring the house down with music for all ages are set to bring in gaiety and cheer and light up the evening.

Our F&B subcommittee along with our caterer M/s. Culinary Foods and Beverages have curated a sumptuous buffet dinner at attractive prices which is subsidised by the Gymkhana for members and guests and is inclusive of guest charges. We have introduced a system of pre-registration for the buffet which can be done online at the link provided or by registering in person at the Gymkhana office and collecting your buffet coupons in advance. Entry to the buffet enclosure will be allowed only to individuals with Buffet coupons. The registration and sale of buffet coupons closes on Friday, 28th April at 6:00 pm. I strongly suggest that you register yourself and family members and guests to avoid disappointment on this tempting offer.

I look forward to seeing you with your family and friends and joining a happy CG family to celebrate 111 years of our Gymkhana.

With all good wishes,

VERNON MIRANDA
President

This is the first time that such a camp was conducted in the Catholic Gymkhana Billiards Room on the initiative taken by our member Mr. Alex Fernandes.

BRIDGE CLASSES

The Special Initiatives Projects sub-committee has initiated BRIDGE Classes at CG in collaboration with Bridge Pathshala a renowned group who promote Bridge in India.

We had a Bridge Awareness program at CG on the 1st April that was well attended. The challenge is to fix a time suitable for all the students. So initially we have decided to conduct the classes online on Zoom, on Saturday mornings and Monday evenings. A total of 18 sessions each of 2 hours duration. We do have some prospective students who opted only for offline classes and we hope to start a batch as soon as the minimum number of students required is met.

It really is a very enjoyable and a cerebral game. We were informed that those who play Bridge have never ever got Alzheimer's.

If you are interested in learning Bridge do contact 8591224613, 8591224648.
